

Skill Signal – Install & Registration

- 1) If you have not already filled out the *Informed Consent for Text (SMS) Messaging* form, please do so now.
- 2) Subscribe to the Vehicle Inspections SMS notifications by scanning this QR Code, which will prompt your phone to send an SMS to subscribe (you will need to press send).

If you have difficulties with the QR Code or choose not to use it, then you will need to manually send a text message

TO: 833-454-7428

MSG: VEHICLEINSPECTION

Shortly after sending the above message, you will receive back a confirmation text message:

You are now subscribed to Leavitt & Starck Excavating's Driver's Vehicle Inspection notifications.

SkillSignal app Setup/Registration:

Open the SkillSignal application. Upon opening, you may receive some notifications like below; these notifications are asking for certain permissions; please read each carefully. The examples below are from an iOS 18 iPhone – your notifications will differ depending on platform (Apple vs. Android) and OS version. I do recommend allowing the Face ID (or any biometric) to login to the app.

Once you get past the permissions notifications, you will see the LOGIN screen; please click on the area indicated by the Green Arrows.
